Reg No. P15/38958/2011

Chiromo Self Study Centre (SSC)

The SSC offers a conducive study environment for personal study, academic resources which include books, journals, academic CDs, DVDs and videotapes which can be borrowed but used within the centre, areas for group discussions, borrowing of experimental (chemistry) models, and computer services.

Duration: May to July 2014

Highlights of Attachment Activities

- Learning the Ruby OOP language and the Ruby on Rails Framework
- Installation and set-up of the programming environment
- Designing an Income Generating Unit System for the SSC
